The Delta County League produces Voter Guides in general election years distributed throughout the community, including the public libraries and other public places. Candidate forums are held for contested elections, (both primary and general elections).

In addition to their voter service activities, the League produces *Democracy & You*, which is published on the Editorial page of the Daily Press, and in partnership with the Escanaba Public Library, the League holds an annual public educational program

The Delta County LWW's Membership Meetings are normally the 3rd Tuesday of each month.
