The Delta County League was organized in 1951 as the Escanaba League of Women Voters. The name change to Delta County came many years later to be inclusive of the members from the surrounding areas. Throughout the years, the LWVDC member activities have changed in relation to the size of the membership. However, the LWVDC has always kept its focus on Voter Services. We are respected in our community for non-partisan candidate forums and voter education. Our printed Voter Guides in election years are sought out, and we actively promote the use of Vote411 as an online tool. We do act in coalition with the American Association of University Women (AAUW) and the Delta County Chamber of Commerce to sponsor our candidate forums.

We present public programs on timely topics. In the past, we have partnered with the Escanaba Public Library to bring programs to our citizens.

At present, we are mentoring the newly formed Marquette Unit, as they strive to become a full-fledged League. In the process of doing that, we hope to re-energize our local membership to reinstate activities, such as the Observer Corp.

Our only fund raiser is an Annual Used Book Sale held in early August.

Membership meetings are normally held the 3rd Tuesday of each month.
