

“Building a Strong Democracy” LWVMI 2017 Convention

THREE WAYS TO SHARE YOUR LEAGUE’S ACCOMPLISHMENTS AT CONVENTION

1. **The Slide Show*** – New this year. Send pictures of your League’s recent activities (since the 2015 convention) to be included in a slide show to be projected on a large screen in the main meeting room before plenary sessions, etc. Send up to 10 slides and include the name of the activity and your League for the caption.

Send as a JPEG to Camilla Davis at cdavis.lwvmi@gmail.com. Due by May 1.

2. **Table Displays*** – A repeat of a popular 2015 activity. Prepare a display of your League’s activities since the last convention. Include things like pictures, brochures, handouts, or anything else you’d like to share. Four feet of table space will be allotted for each League in the same room as the Silent Auction. RSVP to reserve table space to Camilla Davis at cddavis.lwvmi@gmail.com. If you need power, please include.

3. **Roll Call of Leagues** – Each local League president (or his/her designee) has 2 minutes to speak about non-routine League activities during the past two years. This is an opportunity to share new ideas. (Presentations will be timed.)

***#1 and #2 are optional.** However, both offer an opportunity to showcase the accomplishments of your League and share ideas. Hope you choose to participate.
