Members of the House Ways and Means Committee:

The League of Women Voters of Michigan supports passage of SB 756 that will allow more flexibility for workers on Absent Voter Counting Boards so they can work in shifts.

The League believes that voting is a fundamental citizen right and supports legislation that ensures accuracy and security in all aspects of the election process. By allowing workers to work in shifts the process for counting ballots will be improved.

Since the passage of Proposal 3, it is important to allow more flexibility to deal with the increased number of absentee ballots. We urge you to support SB 756 so that these changes can be implemented prior to the November 2020 General Election.

Sincerely,
