Good Morning, Commissioners.

I'm Susan Smith, Vice President for Advocacy, League of Women Voters of Michigan.

The League is pleased to see that you intend to review and adopt a process for how you will conduct the Final Vote on December 28.

We encourage you to discuss each of the proposed maps before taking any votes.

Transparency, as stated in the Commission's goals, has been one of your strengths.

As you know, the Commission has received hundreds of comments re the proposed maps.

Now, the public needs to hear from you.

How did those comments influence your thoughts about the proposed maps?

The Commission has spent hundreds of hours developing these maps.

Please take the additional time needed to share your thoughts with the public.

Thank you.
