Representative Helena Scott, Chair Michigan House Committee on Energy,
Communications and Technology
P.O. Box 30014
Lansing MI 48909-7514

Dear Chair Scott,

The League of Women Voters of Michigan urges you to hold a hearing and a committee vote on the Community Solar Bill, House Bill 4464.

Over half of Michigan households are renters, live in shady areas, or can't afford to install solar panels. The Community Solar bills are essential to allowing Michiganders to get the benefits of clean, renewable energy.

The League of Women Voters supports the Community Solar Bills. It is important to encourage the use of renewable energy to address climate change.

Thank you for your consideration.

Sincerely,
