### **Co-Presidents' Message**

### **A Spooktacular Call to Vote**

### **A Halloween Poem for the League of Women Voters of Michigan**

When ghouls and goblins roam the night,  
And pumpkins glow with eerie light,  
There's something scarier than a ghost,  
A missing vote when it matters most!

So don your shoes and brave the night,  
There's chilling information by candlelight!  
The League of Women Voters of Michigan is here,  
To make voting simple, safe, and clear.

🦋 Are you registered? Don't let it frighten you!  
Check your status and register, too.  
With voter information to light the way,

You'll be ready on Election Day.

📖 Voter guides hold facts in store,  
So you can learn about the choices before.  
Compare the candidates, explore each issue,  
Find the information that will assist you!

👤 Get Out the Vote — GOTV! Let's spread the word,  
A friendly reminder can make a difference heard.  
Tell your friends and neighbors near,  
Make a voting plan and mark the date clear!

From Detroit streets to the Upper Peninsula's shore,  
Michigan voices matter — let's hear more!  
No tricks, no treats can take the place  
Of an informed voter in every community and space.

So this Halloween, let your civic spirit shine,  
With facts, registration, and guides online.  
The League of Women Voters is ready to say:  
Be informed, be prepared, and make your plan to vote today!

👻🎃 No tricks, just facts — let democracy thrive!  
Michigan voters, let your voices come alive!

Here's hoping for an uneventful election with people getting out to vote!

In League,

Lynne Kochmanski and Denise Hartsough  
Co-Presidents  
League of Women Voters of Michigan

## Voter Service Updates

LWVMI Print Voter Guide Update

A total of 128,425 print voter guides were delivered to local Leagues, libraries and democracy partners, starting September 29. We've received many positive comments on this publication. A special thanks to Anne Jackson, VOTE411 Director, Sarah Warner, Project Manager and Carolyn Vertin/Jane Poczatek, Lenawee County for their excellent assistance with voter guide content and proofing! Thanks also to our local Leagues for distributing the guides so quickly in their communities.

## Early Voting Starts October 24

Don't forget! The early voting period begins October 24 and continues through November 1. Please encourage voters to take advantage of early voting in their jurisdictions. This period covers two weekends and is a great option for those with heavy work schedules during the week. Voters can also take their absentee voter ballot to the early voting site and insert it into the tabulator to be sure it's counted!

## Text Banking Update

Phase 3 of our text banking project is well under way. We are currently working on Messages 2 and 3, which will take us right up until the day before Election Day. A special thanks to local Leagues for participating, especially those who are doing additional work to assist other Leagues with their lists.

- Message 2 —When Early Voting opens (October 24) — An action-forward message to remaining non-voters. Early Voting is open today — here is how to cast your ballot right now.
- Message 3 — Day before the election — A final, urgent push to every voter who has not yet cast a ballot. Short, direct, and impossible to ignore.

Thanks to all who are participating! Happy Texting!

## Board of Canvassers Update

The November BOC orientation was conducted on October 12. A total of 105 registered, with 65 attending. Agenda and follow up included the following:

- Review of canvassing process; special emphasis on the role of Leads. Out of 83 counties, we have Leads for 69 counties.
- Sarah Warner has updated training Module #4 to include additional information and tools for accessing Mobilize, the sign-up platform. Use this link [here](#) to access the new How to Use Mobilize 101 reference document.
- A follow-up email was sent to all registrants with links to the recording, passcode and other documents. All were sent a copy of the Power Point presentation from orientation and BOC interest form for non-League members. The recording of the meeting can be accessed [here](#). The passcode is Judyflo1111#.
- On October 26, the Mobilize sign up platform will be made available to partners for their members to sign up for shifts that are not yet filled. **We encourage League members interested in securing a sign up to do so before October 26.** You can use this [link](#) to access the Mobilize platform. Questions can be directed to Sarah Warner, Project Manager, at [projectmgr@lwvmi.org](mailto:projectmgr@lwvmi.org).

## Local League Guides

For those local Leagues that produce their own guide, LWVMI will reimburse Leagues up to \$2,000 for these guides. All Leagues need to complete the Local League Voter Guide Grant Application for 2026 at this [link](#). In addition, you need to complete the Reimbursement Request form at this [link](#). The reimbursement form, plus receipts, **must be submitted by November 13, 2026** and sent to Judy Florian at [voterservice@lwvmi.org](mailto:voterservice@lwvmi.org).

## Election Hero Day is October 20, 2026

Election Hero Day (October 20) is a nonpartisan, national celebration recognizing the work that election officials, their staff, and poll workers do to ensure a safe, secure voting experience for all eligible Americans.

Founded in 2020 to honor election workers as they navigated an unprecedented and challenging election environment and successfully supported voters, the holiday sends a clear message that we support our friends and neighbors who play a vital role in preserving our democracy. They are our election heroes!

Election Hero Day

# Election Hero Day is

# 10/20/2026

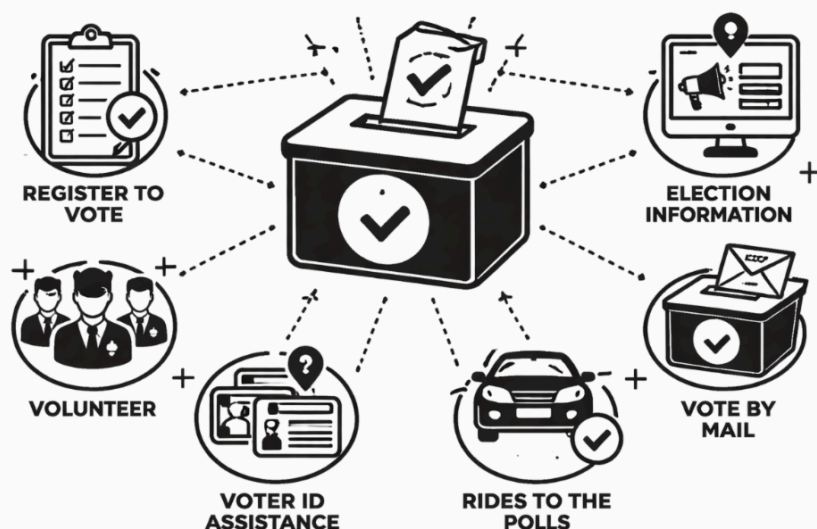

Election Hero Day is a civic holiday recognizing the heroes powering our elections, protecting our democracy, and ensuring every voter's voice is heard

#ThankYouElectionHeroes

Don't forget to let us know if you plan to work during the November 3 election. We ask that you complete the survey to report if you will serve as a poll worker/election inspector, Absentee Voter Counting Board, Early Voting, etc. This data is extremely helpful when we respond to surveys for our grant usage. You can access the survey at this [link](#).

Our next Voter Service Network meeting will be held on Thursday, October 22, at 7:00 p.m. You can register for the meeting at this [link](#). Once you register, you will receive instructions on how to join the meeting. Only those actively involved in Voter Service work in their local League can attend. An agenda will be sent out the week of October 19.

## Membership Leaders Network Updates

The October Membership Leaders Network meeting was held on October 14 at 7pm. The main topic for the evening was suggestions from local Leagues for programs that would benefit the entire network.

Suggestions from local Leagues included:

1. **North Central Michigan – Christina Schlitt:** Ask the LWVMI Nominating Committee to explain their process to us; this could help local Leagues improve and refine their processes. NOTE: Regena Nelson, Chair of the LWVMI Nominating Committee, has agreed to do this at our January 2027 meeting.
2. **LWVMI – Lynne Kochmanski:** Review the new LWV membership toolkit.
3. **Berrien & Cass Counties – Val Schnable:** Organize a trip to the state capitol – encourage local League leaders to meet their state representatives & senators and cultivate a relationship with them (and be sure to stay away from advocacy).
4. **Lansing Area – Ann Marston:** Talk about observer corps as a way to engage new members. Discuss: how to engage people in observer corps; interaction with advocacy & study groups; reporting in the newsletter; and membership oriented reporting.
5. **Jackson Area – Roberta (Bert) Sexton:** Other ways to engage new members: have board members meet with new members & talk about why they joined.
6. **Grosse Pointe – Catherine Dumke:** Talk about skills surveys and how to find people with specific skills. One League has used surveys every

few years and at one point recruited a member specifically to be treasurer; another League asks at orientation, a third League uses a Google Form to collect interests & skills (with a link in their newsletter).

In addition, we have a program tentatively planned for the spring to discuss Heather McGhee's book: *The Sum of Us*, which discusses how discrimination hurts all of us.

### **Next Meeting**

Come join any of our discussions! The next meeting is November 11 at 7:00pm.

## **LWVMI Advocacy Committee Report**

### **October 2026 LWVMI Advocacy Actions**

This month the LWVMI Board approved the following Advocacy Actions recommended by the LWVMI Advocacy Committee:

#### OCTOBER 10, 2026 - PROHIBIT US ARMED FORCES & ICE AT ELECTIONS

The League of Women Voters of Michigan supports SB 1197-1198 which would prohibit any member of the US Armed Forces, Reserve, National Guard, or other military branch as well as Customs Enforcement or ICE from interfering with voting or any other election issue.

#### OCTOBER 10, 2026 - REQUIRE CAMPAIGN DISCLOSURE FOR SOCIAL MEDIA

The League of Women Voters of Michigan supports SB 1199 which would require campaign finance disclosure for payments for social media posts.

#### OCTOBER 10, 2026 - DATA CENTER REGULATIONS

The League of Women Voters of Michigan supports SB 1046-1051 which would provide that large scale data centers be subject to regulations on water and wastewater use, ensure residents are protected from increased electric rates, are transparent, protect labor, and provide local community benefits including protections for public health, safety, and welfare and protection of natural resources.

#### OCTOBER 10, 2026 - ELIMINATE SERVICE OF PROCESS FEES FOR DOMESTIC VIOLENCE PERSONAL PROTECTION ORDERS

The League of Women Voters of Michigan supports SB 611, 612 and HB 5120, 5121 which would eliminate Personal Protection Order (PPO) service or process fees related to domestic violence or stalking cases, and require law enforcement to serve the PPO within 72 hours after issuance.

#### SEPTEMBER 30, 2026 - URGES GOVERNOR WHITMER TO CONVERT THE SUPREME COURT'S RULING ON LINE 5 INTO POLICY

The League of Women Voters of Michigan signed onto [a letter to Governor Whitmer](#) from our partner Oil and Water Don't Mix, joining 16 other State and Great Lakes regional organizations in urging Gov. Whitmer to turn the Michigan Supreme Court's ruling into state policy before her term of office expires. See video of participants reading the letter to Whitmer to share and post on social media:

### **Advocacy on Statewide Ballot Proposals**

#### **The League of Women Voters of Michigan's positions on the 2026 State Ballot Proposals**

LWVMI opposes Proposal 2026-1 which calls for a Michigan constitutional convention. A new constitution could cost millions, create years of instability, threaten our existing rights such as reproductive freedoms, voting rights, education and tax systems, and give wealthy or partisan groups the ability to influence delegates.

- [Information from the Citizens Research Council of Michigan about Proposal 2026-1](#)
- [Information from the Senate Fiscal Agency about Proposal 2026-1](#)

LWVMI supports Proposal 2026-2 which would ban political contributions from regulated utilities and large government contractors. If passed, this proposal would limit the influence of "pay to play" – where deep-pocketed corporations buy influence with our elected officials that impacts the laws and regulations they pass-reduce conflicts of interest, and would close loopholes that currently allow political ads without disclosing the donors.

- [Information from the Citizens Research Council of Michigan about Proposal 2026-2](#)
- [Information from the Senate Fiscal Agency about Proposal 2026-2](#)

**Ballot Question Committees:** *Since LWVMI has not formed its own ballot question committee, all advocacy presentations or work with the public must be through the Protect MI Constitution or Michiganders for Money Out of Politics ballot questions committees.*

In-kind expenses and contributions such as copies (but not volunteer work) must be reported to these groups. Forms are available from your local League President.

## Call for LWVMI Board Nominations

Your help is needed! The LWVMI Nominating Committee is preparing a slate of Officers and Directors for the State Board for the 2027-2029 term. We welcome suggestions for dedicated, diverse leaders to serve on the board. Candidates should possess skills in areas such as leadership, development, finance, program, advocacy, communications, voter services, and membership. The committee values diversity in age, gender, race, ethnicity, socioeconomic status, sexual orientation, physical abilities and challenges, and geographic location. Self-nominations are encouraged because you know best how you can contribute to the League's work. Please submit your nominations by completing the form at this [link](#) by November 10, 2026.

LWVMI Nominating Committee Chair

## Show LWVMI a Sign

Recently, I have been muttering to myself that this election needs to show me a sign that our country recognizes the seriousness of the assault on our voting rights. Increasing voter turnout and/or more voters using our voter education tools would be such a sign.

If we transfer that thought to the League of Women Voters of Michigan, we need to see a sign that you recognize the worth of your state League. While praise is always welcomed, a donation to LWVMI, whether it is to the operational side or the educational side, enables us to push back against the forces that are intent on destroying those rights we hold so dear. Please consider a donation to the League of Women Voters of Michigan. We are in this fight for the long haul.

## Election Protection Hotline

### 866-OUR-VOTE

As you work elections either as an election inspector, poll monitor, challenger, observer, or as a voter, if there is a question about anything election related, or you observe something you are not sure about, or there is something out of the ordinary, call the HOTLINE!

During Early Voting and on Election Day there will be a Michigan-based team of experts and attorneys (a.k.a “The Boiler Room”), ready to respond to any call. For the August Primary, there were close to 300 hotline calls which came in and were resolved. The HOTLINE team relies on information and questions from those of us who are “on the ground” on Election Day and for Early Voting.

Please uplift this number at all your voter education and tabling events leading up to the election.

We're aware of recent reporting about VoteSafe.org, a website operated by America PAC, a political action committee founded and funded by Elon Musk. The site itself notes that its voting and registration information comes from third parties and may not always be accurate.

Additionally, the site has raised privacy concerns about how personal information provided by voters may be collected and used. Voters can turn to VOTE411.org, the League's trusted, nonpartisan resource for election information, and their state and local election officials to verify registration requirements, deadlines, and other official voting information.
